

Barleylands Outreach Risk Assessment

Hazard or activity on the site	Who would be harmed	Risk level	Control
Reactions to handling or tasting food - allergy or intolerance	Staff and children	Medium to high	All adults and children to let us know immediately of any known or suspected allergies or intolerance to food stuffs. It may be deemed necessary to exclude the participant from touching/tasting.
Spills and slipping	Staff and children	Medium	Floor to be dry and clean. Any spills to be mopped up immediately.
Touching seeds	Staff and children	Medium	All adults and children advised to wash hands after touching. Barleylands staff to be advised of any known allergies
Infection	Various	Low	School staff must ensure children wash their hands before touching food. Any cuts or abrasions should be protected by a dressing.

Please Note:

Barleylands staff will facilitate the workshops/assemblies planned with the school. Teachers are responsible for the children at **ALL** times.
