

Self Guided Visits

Guidance and Risk Assessment

INCLUDES C19 AND OTHER VIRAL INFECTION MANAGEMENT

The management of Barleylands are not responsible for the visiting persons or the hygiene measures taken by any visitor groups until after the group has alighted from the transport provided by the travelling group.

On arrival, a health and safety briefing will be given by the education team facilitating the visit. Group leaders are responsible for their children at all times.

The visiting groups staff are responsible for ensuring their group maintains the required hygiene, social distancing and face covering requirements based on the current localised Tier published by National or Local Government Departments.

Specific measures taken by Barleylands in the management of viral containment/spread, in particular COVID 19.

The management of Barleylands have taken the following measures to arrest the spread of any viral condition, including COVID 19. The success of the measures taken relies heavily on the cooperation of the visiting public and supervising staff in ensuring hygiene measures and social distancing is maintained together with handwashing as often as possible. There is no limit set on anybody on the number of times they may wash their hands.

- Group access is by booked appointments only.
- Limited numbers allowed on site.
- Outdoors areas only accessible (and designated base for groups).
- Social distancing in operation and actively managed.
- Play equipment cleaned on a regular enhanced cleaning rota using antibacterial cleaning materials.
- All indoor equipment is cleaned on a regularly cleaned after each use and routinely by enhanced cleaning rota using antibacterial cleaning materials.
- Monitoring of the regime put in place to be carried out to ensure it is working. Adjustments to be made if found adjustments are needed.

Important

Teachers are responsible for the children in their party at **ALL** times. Barleylands require a ratio of 1 adult to 6 children for children aged 4 to 8 years, and 1 adult to 8 children for children aged 9 to 12 years.

Clothing

It is important that you think about the weather before your visit. Please make sure you pack waterproofs for wet weather. During the summer months a sun hat is advisable.

Health and Safety

Hygiene is of the utmost importance and you will be asked to wash your hands after activities involving contact with the animals, before eating lunch and at regular intervals throughout the day. Please note that hands should be washed using running water and soap for at least 20 seconds. This is the most effective method of handwashing.

Hand sanitiser points are located throughout the farm park. Please note alcohol hand gel is NOT a replacement for hand washing with soap and running water. You are welcome to bring your own hand sanitisers, but we will have plenty located around the farm.
