Barleylands Christmas Present Trail!

Some naughty elves have hidden Christmas presents all over the farm at Barleylands, can you help Santa save Christmas by writing down the letter on each one to spell out a festive word?

The first present has been hidden by some cheeky elves by our Birds of Prey Flying Arena, quickly write down the letter before it's whisked away by an owl!

The elves have dropped the second present of our trail whilst having a race on the Barleylands Speedway, can you see it?

Polly our Berkshire Pig is keeping watch over the third present, don't forget to say hello as you write down your next letter!

The next present can be found where creepy crawlies may live, have a wander around our Wildlife Walk to find this letter!

Over halfway now, time for a bounce break? Find your next letter at our Bouncy Pillow!

Our Aviary is where your next letter has been left, keep an eye out for all the different birds you can spot as you search for the present!

Nearly there! Let's hope this present is still on dry land! Find this letter in amongst the ducks and geese at our 'B' Pond.

Only one more to go! The elves have dropped the last present in with our merry meerkats. Write down your last letter, and put them all together, what have you spelt?

Once you have written down all 8 letters, you should be able to spell out a special Christmassy word! Tell the staff at the kiosk your answer and you will receive a prize!
